

## Brighten Someone's Holiday Season!

Bring joy to a family this holiday season! The holidays can be a difficult time for a parent who is not able to provide gifts for their children. Join us in brightening the holidays for the families at **LifeWire** formerly *Eastside Domestic Violence Program*. Invite your family, friends and coworkers to join you!

- The most effective way to support families during the holiday season is through your **Cash Donation**. Your financial support will help with emergency needs.
- Donate **Gift Cards** in lieu of exchanging gifts with friends or coworkers. A gift card for groceries, household goods, toys and clothing is a welcome gift for a single mom to shop for a traditional holiday meal as well as family gifts that are special to her children. Mail gift cards to LifeWire at the address listed below. – it's that easy!
- Deck your office bulletin board or tree with decorative, ready-to-hang **Wish Tags** for **LifeWire** families. Each Wish Tag represents the wish of a victim or child who is healing from abuse and would very much like to feel a part of the holiday festivities. Your generous donations go straight into our Holiday Store where parents feel empowered by choosing what their children want and need the most. It lets them feel they have a special part in their children's holiday.
- Hold a **fundraising event or collection drive** of your own to raise funds, wish list items or toys.

Cash donations and gift cards can be mailed to **LifeWire:**  
**PO Box 6398, Bellevue, WA 98008**
